

	Level 2						Level 3					
	Pyrmont Theatre	C2.1	C2.2	C2.3	C2.4	C2.5	C2.6	E3.1	E3.2	E3.3	E3.9	E3.10
0700	Registration											
0800 - 0845	Editors Breakfast											
0845 - 0900	Fellows - Lee Partridge											
0900 - 1015	Keynotes: Sandra Graham and Eeva Leinonen											
1020 - 1050	Paper 36: Cheating or outsourcing: at what point does buying assessment become authentic professional practice? Rowland	Paper 16: Leadership from within: Empowering curriculum transformation amongst higher education teaching staff. Patton	Showcase 220: A CPD Resource for Recognising and Developing Capability in Higher Education Bennett	Showcase 121: EQClinic: Using technology to teach complex communication skills. Taylor	Showcase 54: Defining our strengths, Focussing our Goals, Optimising our Future: Curriculum transformation at the University of Tasmania. Brown	Showcase 56: The frame of the house is not the home: A 'staged' debate on transformative curriculum frameworks Lewis	Showcase 221: Engaging Students as Partners as a new approach to enhance Curriculum Practice. Bell	Round Table 262: Transferable skills for global employability in PhD curriculum transformation Parmenter	Paper 30: Curriculum transformation using a blended learning design toolkit Carbone	Showcase 214: What motivates students to turn up to the flipped classroom prepared? Results from a study co-led by students and academics Morrisby	Showcase 163: Classroom of many cultures: co-creating open access curriculum with community-based service learning partners and students. Lloyd	Showcase 177: Curriculum Transformation at Scale: A Model for Sustainable Change. McNeill
1050 - 1120	Morning Tea - Branch Meetings											
1120 - 1150	Showcase 258: Discipline-specific e-portfolios to enhance visibility and impact of teaching-focused academics. Picard	Showcase 135: I nga ara tawhito, he rohe hou From old pathways, towards new landmarks Transformation of the undergraduate New Zealand legal education curriculum at the University of Canterbury Cheer	Showcase 234: Flip, Squeeze, Repeat: Educational design perspective on transforming Foundation Year Health curriculum for student focused flexibility. Shuker	Showcase 140: Design and development of online learning modules for self-directed study. Mamun	Paper 107: Capturing creative research in the academy Adams	Showcase 133: Developing teaching capacity through peer-pairing in a large first-year science unit. Savage	Showcase 314: Social determinants are a threshold concept Mutch	Employability	Whole of Institution	Student Led	Showcase 191: Writing circles as transformative spaces for developing student practice. Wilmot	Paper 46: Exploring misconceptions as a trigger for enhancing student learning. Verkade
1155 - 1225	Paper 28: Becoming civil engineers: Embedding academic and professional literacies in the curriculum. Kehrwald	Showcase 186: Challenges and strategies in implementing self and peer assessment in the curriculum. Adachi	Showcase 2: Evaluating and improving university teaching quality: peer review in England and New Zealand. Edgington	Showcase 276: From curriculum map to digital network: sustaining the "living" curriculum. Birbeck	Showcase 282: "Is this mine to keep?" 3D printing enables active, personalised learning in anatomy. Taylor	Showcase 339: LEAP – Macquarie Mentoring (Refugee Mentoring) Program: Peer to Peer Mentoring for High School Students from Refugee BackRound Tables Subhash	Showcase 156: Using student voice in curriculum design Hellmundt				Showcase 287: I have never been good at maths: transforming the mathematics learning experience in a higher education enabling course Mann	Showcase 194: Flipping and Weaving: Embedding Academic and Library skills development and adopting a flipped learning pedagogy to renew two architecture history units. Willems
1230 - 1300	Showcase 299: Employability in a Global Context: Learnings for Australian Practice. Bell	Paper 95: Learning-centred analytics: Using an embedded LA approach to better understand learning and its affordances in a School of Education. Colvin	Showcase 322: Learning and Teaching Adjuncts: Sessional staff supporting curriculum transformation. McKenzie	Showcase 231: Peer review of teaching: Development of a faculty approach. Beaumont	Showcase 292: Large-scale curriculum renewal to contextualise graduate attributes. Jorre de St Jorre	Showcase 266: Investigating science students' perceptions of work-integrated learning to achieve curriculum reform. Elliott	Showcase 147: Therapaws: Student-led dog therapy project Johinke				Showcase 212: Gamification using virtual reality serious games: student perception of value. Morrisby	Showcase 10: Aligning epistemology of classroom and workplace learning: The development of a design framework for situated learning simulation. Guinea
1300 - 1415	Lunch and AGM @ 1330											
1415 - 1505	Panel - PUTTING IT INTO PRACTICE - Chair: Angela Carbone ; ALTF Fellows - Les Kirkup, Trevor Cullen, Manjula Sharma											
1510 - 1540	Showcase 294: The cost of curriculum transformation: balancing national requirements, internal policy and academic workload. Walker	Paper 100: University teacher development program impact beyond graduation: More than changing the individual. Pizzica	Showcase 241: Teaching induction program provision in the Australian higher education sector: A snapshot, Fraser	Showcase 263: Understanding the alignment of curriculum to professional standards of practice: a process for facilitating curriculum renewal and transformation. Willets	Paper 85: Course design as a collaborative enterprise: Incorporating interdisciplinarity into a backward mapping systems approach to course design in Higher Education. Thomson	Showcase 201: Transforming feedback: Using video to enhance student engagement with Formative Assessment. Brown	Showcase 255: Curriculum transformation for cultural competence: Students and academics working in partnership to embed a new graduate quality Peseta	Round Table 190: Curriculum Transformation in an International and Transnational Space: Navigating the complexities of quality assurance processes Patel	Showcase 247: A staff-student co-enquiry investigation of peer to peer Objective Structured Clinical Examination (OSCE) revision in medical imaging. Taylor	Showcase 342: Designed by students for students: student led learning and teaching app project Bennett	Paper 88: A bridge to 'being' a practitioner: the role of pedagogical practice-in-context knowledge in the design, delivery and experience of a capstone subject Houston	Paper 69: Curriculum reform supporting dental students learning for their future practice: what do our first-year students think? Winning
1540 - 1610	Afternoon Tea											
1610 - 1640	Showcase 306: Curriculum Transformation - Creating an alternative pathway in first year chemistry. Bedford	Showcase 283: Premium cloud engagement in social work: inspiring students to find out more. Taylor	Paper 98: Evaluation and curriculum transformation: Two MOOCs, new learning environments, many pathways. Philip	Showcase 295: Transforming the curriculum of a Graduate Certificate in Tertiary Education course to help transform teaching practices at an Australian university. Copeman	Showcase 313: Support for new academics: An holistic and relational approach to academic development. Sutherland	Showcase 327: Developing an early warning system combined with dynamic LMS data. Green	Showcase 131: Exploring Benefits of Co-Creation in Higher Education. Dollinger	Round Table 157: The Rise and Rise of Interdisciplinarity: Rhetoric or reality for curriculum transformation? Rawlings-Sanaei	Showcase 321: A student-centred intervention enhances collaboration in an undergraduate science capstone unit. Devine	Showcase 303: Locating students as partners at the nexus between governance, deliberative structures and teaching and learning practice. Shaw	Showcase 267: Improving the ways that students make evidence-based decisions Thakkar	Showcase 298: Exploring a transformed curriculum supporting flexible options for academic professional learning. Myatt
1645 - 1715	Showcase 319: Transforming the biomedical curriculum to enhance employability skills development and careers management Choate	Showcase 300: A twin-initiative transforming curriculum development processes. Abawi	Paper 6: Ready or not, here I come! Learning to Support Year 12 Students' University Study Choices Parks	Showcase 73: Curriculum reform for widening participation: The necessity of organisational and broader enablers Hill	Showcase 326: Hail the maintainers! The balance between innovation and curriculum maintenance in curriculum renewal Kandlbinder	Showcase 240: Transforming the Curriculum to Develop Indigenous Graduate Attributes Page	Showcase 210: Research informing teaching – content or pedagogy? Richardson	Round Table 109: Creating a shared culture of mobile technology use in workplace learning Trede	Showcase 329: An online science communication resource as a vehicle for student partnership and student scholarship of teaching and learning. Rowland	Showcase 77: University students' approaches to project-based learning (PBL): An Engineering context Hasan	Showcase 235: Digital Foot in Professional Mouth: Supporting preparation for work and professional practice through highlighting digital footprints. McCluskey	Showcase 251: "I want my future to be different": Transforming curriculum to enable remote Aboriginal peoples' participation in Higher Education King
1730 - 1900	Harbour Cruise											
1930 - 2130	Dinner with the Experts											

THEME KEY

- Yellow: Facilitating Curriculum Transformation
- Blue: Curriculum Transformation Drivers
- Green: Putting it into Practice
- Orange: Students in Curriculum Transformation (Student Led Submissions preferred)
