

# Using awards to disseminate and embed good practice in teaching and curriculum

Cathryn McCormack, Southern Cross University  
Dr Steve Drew, University of Tasmania

National program:

Moving from OLT to  
Universities Australia

- Awards – reward and recognise good practice
- ~~Grants~~ – research and embed good practice
- ~~Fellowships~~ – support (emerging) leaders to embed good practice

# Awards

Reward and recognise

Disseminate and embed

Responsibility of institution

# Questions

- What's in it for the applicants?
- What are the ramifications for institutions re dissemination?
- What are the ramifications for administration and control of award monies?
- What are the ramifications for institutional award programs?
- Should UA structure the awards differently?
